Introducing National Pension Professionals!

The Association of Legal Administrators and **GLJ Benefit Consultants**, an ALA Value In Partnership (VIP)SM Business Partner, are excited to introduce ALA Members to **National Pension Professionals (NPP)**, an independent firm providing ALA Members access to full service consulting for your 401(k), profit sharing, and defined pension benefit needs.

After a comprehensive vetting process, ALA selected NPP, a leading full service pension consulting firm, to work with its member firms to help them understand and address their fiduciary obligations. NPP consultants are affiliated with LPL Financial – the largest independent Broker/Dealer in the US* – and have been specifically approved to manage retirement plans due to their demonstrated experience and Accredited Investment Fiduciary (AIF) designation.
